Sunday 22 September Cobham Home Won 69 - 58

Neither the weather nor a drone could stop 32 West End and Cobham bowlers from having a very enjoyable game to bring our outdoor season to a close. The game started in drizzle which became a downpour, club members running for umbrellas and then ended in sunshine - a typical Autumnal afternoon. Yet cheers and laughter echoed across the rinks as West End achieved a worthy win in our final game.
